MAXIMISE YOUR POTENTIAL

There should be regular and punctual attendance on the programme. If a student is unable to attend they are requested to call a member of staff to inform absence one week BEFORE the session. In case of emergency, call us immediately. Failure to attend for two consecutive weeks will result in the student being removed from our list and replaced with someone on the waiting list.

Food and Drink

Food and Drink is restricted within certain parts of the building. Food or drink is not allowed whilst sessions are in progress.

Mobile Phones

All mobile phones must be switched off before the session starts. No MP3 players or personal stereos should be brought to sessions.

Course timings
